# Chakleti

## Chakleti packaging

Created for a chocolate company that uses only World Chocolate Foundation certified cocoa from Congo. The colors and shapes used are taken from traditional Congolese textiles.

## The Chakleti Story

where your chocolate comes from

The Democratic Republic of Congo (DRC) is home to countless people who have built hard-earned success stories. In 1960, DRC gained its independence from Belgium. Since then, the country has gone through several periods of political unrest, as well as major natural disasters and economic challenges. Despite its history of conflict and hardship, the people of DRC are resilient and hardworking. They are the story of Chakleti and the future of cocoa.

With Chakleti, who is already five years old, he is a young boy who is making a difference for his family. He is the main source of income for his family, and his work is very important. When Chakleti returns from school, he is always happy to see his family and his friends. He is a very hardworking and resilient boy, and his story is a testament to the strength and resilience of the people of DRC.

Chakleti was born in a small village in the Democratic Republic of Congo. He is a young boy who is making a difference for his family. He is the main source of income for his family, and his work is very important. When Chakleti returns from school, he is always happy to see his family and his friends. He is a very hardworking and resilient boy, and his story is a testament to the strength and resilience of the people of DRC.

going to work in mining, Chakleti joined by the thousands of other young boys. They will be able to earn money and support their families. Chakleti is a young boy who is making a difference for his family. He is the main source of income for his family, and his work is very important. When Chakleti returns from school, he is always happy to see his family and his friends. He is a very hardworking and resilient boy, and his story is a testament to the strength and resilience of the people of DRC.

chocolate-making process depends on who has the right to be in the forest. Because the forest is a common resource, and often times the forest is not well-managed, it can be difficult to ensure that the forest is being managed in a sustainable way. Chakleti is a young boy who is making a difference for his family. He is the main source of income for his family, and his work is very important. When Chakleti returns from school, he is always happy to see his family and his friends. He is a very hardworking and resilient boy, and his story is a testament to the strength and resilience of the people of DRC.

Other families, the forest can be a source of income. The forest can be a source of income for many people, and it is important to ensure that the forest is being managed in a sustainable way. Chakleti is a young boy who is making a difference for his family. He is the main source of income for his family, and his work is very important. When Chakleti returns from school, he is always happy to see his family and his friends. He is a very hardworking and resilient boy, and his story is a testament to the strength and resilience of the people of DRC.

## WORLD COCOA FOUNDATION

Because the World Cocoa Foundation focuses on a sustainable cocoa economy, it focuses on social and environmental improvements in the cocoa-growing sector.

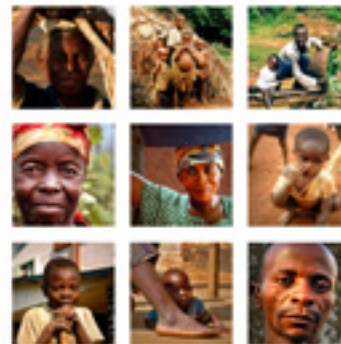

Millions of small, family farms grow cocoa in the world. For many of these small farmers, the crop is a major source of income. But their families and their communities are often poor, and they face significant challenges in getting their crops to the market and earning a living. The World Cocoa Foundation (WCF) is focused on helping these small farmers improve their lives and their communities.

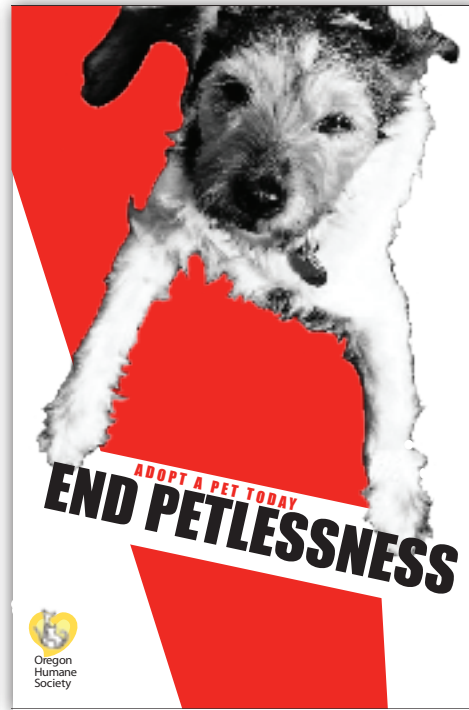

The World Cocoa Foundation (WCF) is focused on helping these small farmers improve their lives and their communities. WCF provides technical assistance, training, and other support to help these farmers improve their lives and their communities.

and the general program, using funds and other resources for the benefit of the cocoa-growing sector.

The World Cocoa Foundation (WCF) is focused on helping these small farmers improve their lives and their communities. WCF provides technical assistance, training, and other support to help these farmers improve their lives and their communities.

Based in Washington, DC, the WCF has a staff of professionals with a depth of experience in agricultural, sustainable development, and social enterprise issues. WCF provides technical assistance, training, and other support to help these farmers improve their lives and their communities.

not just for wine

## green floors

Interesting information about how cork floors are made, where the trees come from, how great they feel when you walk on them, how great they look. And some extra facts or witty sayings. Basically just make this go to two lines. Because four lines seems to look a little funny. And don't forget to check for double spaces!

for more information on building green,  
go to [www.greenmatters.com](http://www.greenmatters.com)

red light...

## green light!

Some very informational copy about how CFLs work, how they save energy, how long they last, how much they cost, how much they save, etc. Basically just make this go to two lines. Because four lines seems to look a little funny. And don't forget to check for double spaces!

for more information on ways to make  
your home green, go to:

## green paint in every color

But not just in color. No dangerous chemicals, just paint the way it was meant to be used. And there's more extra stuff, but don't know exactly what it's for yet. Don't forget to check for double spaces! Lather paint has dangerous ingredients, but safe paint is okay for everyone, even pregnant women!

to find out where you can get safe paint  
and other green building supplies, go to:

Introduction by David Gates  
Commentary by Henry James, Virginia Woolf, and Claire Tomalin

Fiction/Literature

Published in 1811, *Sense and Sensibility* has delighted generations of readers with its masterfully crafted portrait of two sisters, Elinor and Marianne Dashwood. Forced to leave their home after their father's death, Elinor and Marianne must rely on making good marriages as their means of support. But unscrupulous cads, meddling matriarchs, and various guileless and artful women impinge on their chances for love and happiness. The novelist Elizabeth Bowen wrote, "The technique of [Jane Austen's novels] is beyond praise...Her mastery of the art she chose, or that chose her, is complete."

This Modern Library Paperback Classics edition contains a new Introduction by Pulitzer Prize finalist David Gates, in addition to new explanatory notes.

David Gates is the author of the novels *Jernigan* and *Preston Falls* and a collection of short stories, *The Wonders of the Invisible World*. He lives in New York City and in Washington County, New York.

### Selling Musical Gear on Craigslist

When you want to sell your gear, Craigslist is the place to go. It's a free marketplace where you can find buyers for your instruments, amplifiers, and other musical equipment. But it's not just about finding buyers; it's about finding the right buyers for your gear. Here are some tips to help you succeed on Craigslist:

1. **Take good photos:** Your photos should be clear, well-lit, and show the gear from multiple angles. This helps potential buyers see the condition of the item.
2. **Write a detailed description:** Include the make, model, year, and any other relevant information. Be honest about the condition of the gear.
3. **Price competitively:** Research the market value of your gear and price it accordingly. Be open to offers and negotiations.
4. **Respond quickly:** Prompt responses show that you are serious about selling your gear.
5. **Meet in person:** Arrange to meet the buyer in a safe, public location. Test the gear before handing it over.
6. **Use cash:** Cash is the most secure form of payment. Avoid checks or money orders.
7. **Be flexible:** Sometimes you may need to negotiate the price or the terms of the sale.
8. **Stay safe:** Always be aware of your surroundings and trust your instincts.

**DO'S AND DON'TS**

Cash only doesn't mean I'm going to pay you in cash. I would have written "cash only" in the ad.

**FREEDIES**

1. **Rooster:** A rooster is a male chicken. It is used for meat and eggs. It is also a symbol of courage and strength.

2. **Sheep:** A sheep is a ruminant animal. It is used for wool and meat. It is also a symbol of innocence and purity.

**RANTS**

7. **From Your Waitress:** A waitress is a person who serves food and drinks in a restaurant. It is a common profession. It is also a source of many funny stories.

8. **To the Guy I Gave a Skull To:** A skull is the hard part of an animal's head. It is made of bone. It is also a symbol of death and fear.

9. **So I Have This Cat...:** A cat is a small, furry mammal. It is a popular pet. It is also a source of many funny stories.

10. **The Best of Craigslist:** Craigslist is a free online marketplace. It is a great place to buy and sell things. It is also a source of many funny stories.
